Make more of your Photography 'Shell & Feather'

with Lindsey Bucknor OBE

Friday 20 September 2019

Saturday 21 September 2019

10:00 to 16:00 (and possibly into the evening for sunset by request)

Joining point: Day 1. Art Safari Studio, Woodbridge Day 2. Suffolk Owl Sanctuary, Stonham Barnes, Stonham Aspal

Lindsey Bucknor returns to Woodbridge to take you out and about in Suffolk and explore your photography further. The focus of this workshop is very practical and aims for you to take the best photos, using composition, light and technique to achieve the best photos worthy of framing later.

Day 1 Friday 20 September – 'Shell'

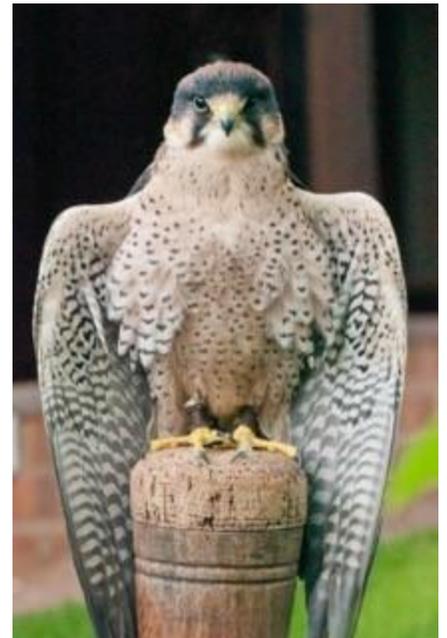

Lindsey will be waiting to greet you at the Art Safari Studio this morning. We will look at the weather before setting out today to explore the Suffolk coastline with our cameras, perhaps starting in the pretty seaside town of Southwold and working our way down the coast towards Woodbridge. Lindsey will share techniques for long exposures to capture movement at the tideline. The Suffolk coastline is very photogenic, from the scars of coastal erosion to shingle banks, weather sculpted driftwood and a 275m long trail of 20,000 white whelk shells at Shingle Street.

Day 2 Saturday 21 September – 'Feather'

Meet at the Suffolk Owl Sanctuary at Stonham Barnes to spend time with some magnificent birds of prey. Lindsey will share techniques and guidance with the key settings for capturing a good image - speed, aperture, ISO, exposure, depth of field, as we photograph a selection of owls and hawk's close-up, and on the wing free-flying in a meadow. We have a falconer just for us today, and a classroom space to use at the Sanctuary. (We require a minimum of 6 participants for this special workshop).

To cut down on vehicles we will organise lift sharing to locations, please let us know if you have a vehicle and are willing to give others a lift.

Included:

- Pre-event questionnaire to establish the specific camera you currently use, your experience level and what you want from the day.
- 1- or 2-day workshop with group and 1:1 support
- Bird of prey day at the Suffolk Owl Sanctuary (*subject to weather*)
- Group review of all key points from day
- Set of notes - hardcopy and via email to take away

Bring your camera, and plenty of questions and ideas!

Lunch is not included - please bring a picnic, or money to purchase a café lunch.

10:00 to 16:00 and possibly into the evening by request on Friday- perhaps at The Ramsholt Arms on the River Deben for sunset photography?
